A Halloween Party

Read the text and do the activities.

Last Saturday, I went to a Halloween party at my friend Jake's house. It was an amazing night! The house was decorated with pumpkins, spiders, bats and scary lights.

There were many people at the party. My friends were dressed in different costumes. Jake was a skeleton, Emma was a witch, Lucas was a vampire and I was a black cat. There were also ghosts, monsters and superheroes.

We played games, danced and ate a lot of candy, cookies and cupcakes. There was a costume contest and the winner was Emma. Her costume was very creative and funny.

In the backyard, there was a small haunted house. It was dark and a little scary, but we had a lot of fun. We saw fake spiders, a big spider web and a black cat decoration.

The Halloween party was exciting, funny and unforgettable. I love Halloween because I can be whoever I want and spend time with my friends!
