My Halloween Night

Last Halloween, I had a wonderful night. I went to a Halloween party with my friends. I wore a witch costume with a purple hat and a black dress. My friends wore different costumes. Sarah was a vampire, and Tom was a skeleton.

We went to a haunted house in our neighborhood. It was dark and a little scary, but it was also exciting. We saw ghosts, bats, and spiders everywhere. There were funny decorations with pumpkins and black cats.

At the party, we played games, danced, and ate a lot of candy. I got chocolate, candies, and lollipops. My favorite part was the costume contest. I didn't win, but I had a great time with my friends.

When I got home, I was very tired but happy. It was a fun and spooky night, and I can't wait for next Halloween!
