A Halloween Party

Last Friday, our class had a Halloween party at school. The classroom was decorated with orange and black balloons, spiders and ghosts. There was a big table with candy, cupcakes and cookies. My friends wore amazing costumes. Tom was a vampire, Lisa was a witch, and Jake was a skeleton. The music was spooky and funny. We played games, like "Find the Candy" and "Mummy Race". There were scary decorations, but the party was very funny and exciting. I love Halloween!
